Hi, I'm PHILIP.

**I've built movements and inspired people to make positive change in their world - in the craziest places in the world - whether members of congress, government officials, royalty, harvard scholars, farmers, military on volcanos, entrepreneurs in jungles, healthcare innovators... and I want to help you.**

Dubai

Belize

Guatemala

A wide-angle photograph of a Harvard University commencement ceremony. The scene is filled with a massive crowd of graduates in red and black gowns, seated in rows on either side of a central aisle. In the center of the aisle, a speaker in a red and black gown stands with their back to the camera, addressing the audience. The background is lined with trees and banners featuring the Harvard crest. The overall atmosphere is one of a significant academic event.

**“Let’s go serve the world with passion.”**

- Philip Harding

Harvard University Commencement 2014

**Sharjah, UAE**
